New notification from The 11th International Workshop and Conference of Asean Studies In Linguistics, Islamic and Arabic Education, Social Sciences and Educational

The paper has passed the preliminary evaluation and then has been sent to reviewers for the complete analysis. They are already working on it. So, kindly proceed to pay the processing fee of 250 USD (+ bank taxes) through one of the two variants below. Please know that the transfer via Pay Pal involves really high taxes, so, I recommend to use the bank transfer. But the decision is all yours. Either way, send me a scan copy of the payment document after it is done.

Thank you very much!

Sincerely yours,
Selvia Rose
